

## **Elex Charge Rates 09**

### **Connector per Day**

16 a Blue £50  
32 a Blue £100  
63 a Blue £125  
32a Red £150  
63 a Red £200

These charges will be payable on-site also and will be subject to VAT if on invoice.

The power charges apply for each day a concession has an active power connection supplied. So, if you choose to arrive early and need power for a chiller van for example, you will be charged for the extra days.
